

APPEAL NO. 030817
FILED MAY 21, 2003

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on February 28, 2003. The hearing officer decided that the appellant's (claimant herein) compensable injury of _____, does not extend to include depression. The claimant appeals the decision as being contrary to the evidence. The respondent (self-insured herein) replies that the hearing officer's decision is supported by sufficient evidence.

DECISION

Finding sufficient evidence to support the decision of the hearing officer and no reversible error in the record, we affirm the decision and order of the hearing officer.

We have held that the question of the extent of an injury is a question of fact for the hearing officer. Texas Workers' Compensation Commission Appeal No. 93613, decided August 24, 1993. Section 410.165(a) provides that the contested case hearing officer, as finder of fact, is the sole judge of the relevance and materiality of the evidence as well as of the weight and credibility that is to be given the evidence. It was for the hearing officer, as trier of fact, to resolve the inconsistencies and conflicts in the evidence. Garza v. Commercial Insurance Company of Newark, New Jersey, 508 S.W.2d 701, 702 (Tex. Civ. App.-Amarillo 1974, no writ). This is equally true regarding medical evidence. Texas Employers Insurance Association v. Campos, 666 S.W.2d 286, 290 (Tex. App.-Houston [14th Dist.] 1984, no writ). The trier of fact may believe all, part, or none of the testimony of any witness. Taylor v. Lewis, 553 S.W.2d 153, 161 (Tex. Civ. App.-Amarillo 1977, writ ref'd n.r.e.); Aetna Insurance Co. v. English, 204 S.W.2d 850 (Tex. Civ. App.-Fort Worth 1947, no writ). An appeals-level body is not a fact finder and does not normally pass upon the credibility of witnesses or substitute its own judgment for that of the trier of fact, even if the evidence would support a different result. National Union Fire Insurance Company of Pittsburgh, Pennsylvania v. Soto, 819 S.W.2d 619, 620 (Tex. App.-El Paso 1991, writ denied). When reviewing a hearing officer's decision for factual sufficiency of the evidence we should reverse such decision only if it is so contrary to the overwhelming weight of the evidence as to be clearly wrong and unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986); Pool v. Ford Motor Co., 715 S.W.2d 629, 635 (Tex. 1986). This is so even though another fact finder might have drawn other inferences and reached other conclusions. Salazar v. Hill, 551 S.W.2d 518 (Tex. Civ. App.-Corpus Christi 1977, writ ref'd n.r.e.).

In the present case, the claimant bore the burden of proof to establish that his compensable injury extended to depression. Applying the above standard of review, we cannot say that the hearing officer erred as a matter of law in finding that it did not.

The decision and order of the hearing officer are affirmed.

The true corporate name of the insurance carrier is **(a certified self-insured)** and the name and address of its registered agent for service of process is

**CT CORPORATION SYSTEM
350 NORTH ST. PAUL STREET
DALLAS, TEXAS 75201.**
